About Fabtech Inc

Who We Are

Fabtech Inc delivers trust and innovation as a leading sales, service, and distribution partner for hospitals, laboratories, and medical device companies.

Headquartered in Ahmedabad, Gujarat, we specialize in **medical equipment, hospital equipment, surgical equipment, biomedical equipment, diagnostic devices, and medical supplies**. Our portfolio includes products and solutions from Abbott and other leading global **medical device companies**, making us a preferred partner for healthcare institutions that demand reliability and excellence.

We go beyond distribution. With a dedicated service network and a customer-first approach, we ensure that every piece of **biomedical and surgical equipment** performs to international standards — because in healthcare, precision and trust save lives.

Our Journey

Fabtech Inc was established in 2011, built on over 25 years of expertise in the **diagnostics and biomedical equipment industry**. Our leadership began with renowned names such as **Transasia Biomedical Ltd.** and **Abbott Diagnostics**, where our team consistently earned prestigious recognitions including the President's Club, 100% Club, and Top Achievers awards.

From day one, we have cultivated strong, long-term relationships with **premium hospitals, clinical research organizations, and advanced pathology laboratories** across Gujarat. These partnerships reflect our reputation as a reliable distributor trusted by both global **medical device companies** and leading healthcare providers.
